

# **PUBLIC NOTICE OF INTENT TO FILE**

Please take notice that:

Dragon Products Company, LLC (Dragon) at 107 New County Rd. (U.S. Rt. 1) in Thomaston, Maine 04861 (207-593-0100) is intending to file an Air Emission License application with the Maine Department of Environmental Protection (MEDEP) on September 15, 2017 pursuant to the provisions of 38 M.R.S.A. §590.

Dragon is filing an application with the MEDEP Air Bureau to amend its air emission license to include a new auxiliary kiln drive engine. The project is located at Dragon's cement manufacturing facility in Thomaston, Maine.

According to Department regulations, interested parties must be publicly notified, written comments are invited, and if justified, an opportunity for public hearing given. A request for a public hearing, or that the Board of Environmental Protection assume jurisdiction of the application, must be received by the Department, in writing, no later than 20 days after the application is accepted by the Department as complete for processing.

The application and supporting documentation are available for review at the Bureau of Air Quality (BAQ) DEP offices in Augusta, (207) 287-7688, during normal working hours. A copy of the application and supporting documentation may also be seen at the municipal office in Thomaston, Maine.

Written public comments may be sent to: Ms. Jane Gilbert at the Bureau of Air Quality, 17 State House Station, Augusta, Maine 04333-0017.
