

BILL PLUECKER HAS CONCRETE IDEAS TO LOWER YOUR PROPERTY TAX BURDEN.

- **INCREASE** the Homestead Exemption by 50%.
- **EXPAND** the property tax fairness credit by \$33 million.
- **PROVIDE** the voter-approved 55% funding for local education.
- **RESTORE** state funding that municipalities use for road repair and police and fire protection.

“Altogether, these policies would make for the biggest property tax cut in Maine history.”
