

Georges River Regional Shellfish Management

Surplus commercial shellfish licenses available for residents and non-residents

Commercial Shellfish Licenses are available and may be purchased at the Thomaston Town Office. The surplus licenses are available to residents and non-residents. Conservation time must be completed or purchased before the license can be issued. Commercial Licenses are \$315.00. Conservation time can be purchased at \$20.00/per hour.

Residents please visit your Town Office in (Cushing, South Thomaston, St. George, Thomaston, or Warren) to have the Town sign off on your application and return your application to the Town of Thomaston to pick up your license.
Non-Residents may stop by the
Thomaston Town Office
